Dear Colleagues!

Federal State Budget Educational Institution of Higher Education «MIREA – Russian Technological University» is honored to invite you to participate in the IV International research and practice conference “Topical issues and perspectives in the development of radio engineering and information systems” also known as «RadioInfocom - 2019», to be held from 11 to 15 November 2019 at RTU MIREA, Vernadskogo Ave., 78, Moscow. 119454.

The Co-Chairmen of the Conference Organizing Committee

President of Popov Russian research and technology society of radio engineering, electronics and communication , member of RAS
Yu. V. Gulyaev

The RTU MIREA Rector, Doctor of Engineering Science
S.A. Kudzh

The RTU MIREA President member of RAS
A.S. Sigov

Department of RESC at RTU MIREA DSc. in Engineering, Professor
G.V. Kulikov

The Co-Organizers of the Conference

The main objective of the conference

is to discuss issues, current trends and perspectives in developing and perfecting radio-electronic and telecommunication branches as one of the main clusters in the world economy that ensures functioning of all the vital elements of state infrastructure for both civil and defense purposes.

Conference sections

1. Telecommunication and Radioelectronics
2. Radioelectronic Systems and Complexes
3. Processing and transmission of information via radio channels
4. Radio Physics and Electrodynamics
5. Radioengineering
6. Design and Production of Radioelectronics equipment
7. Engineering ecology
8. Training of professional staff in the innovative university cluster
9. Ensuring the quality of electronics equipment, Standardization and Certification

Within the Conference we will established a round table discussion devoted to promising directions, projects and scientific and practical developments in terms of innovative development of the digital economy. In addition, a contest for the best reports of young scientists will be held traditionally.

All of the Conference reports will be published in an electronic Collected papers journal which will be posted in the RSCI database.

Working languages of the Conference

Russian, English

Conditions for participation in the Conference

- You can apply to the Conference at <http://forum.mirea.ru/> **from 01.04.2019 to 20.09.2019**.
- After sending the application and your report paper you have to **get confirmation** about it being included in the programme of the selected Conference section.

Participation in the Conference and paper publication are provided
FREE OF CHARGE!

Terms for accommodation in a hotel

According to the established rules for participants, Conference Organizing Committee reserves the right to book a hotel room at «RANEPA» (Vernadskogo Ave., 82, 84, Moscow, 119571) located within walking distance to the Conference premises, «Yugo-Zapadnaya» metro station.

Travel and accommodation fees are paid by the participants!

You can learn more about accommodation conditions at <http://hotel.ranepa.ru/>.
